Jackie's Advice Column

by Jackie Marquez, Fourth Grade

Q: What do you do when you feel really sad inside?

A: I try not to think about it. I try to do something that I enjoy doing to get my mind off of what is making me sad.

Q: I like my brother's friend and I think he likes me. Can you help me?

A: We are too young to have boyfriends and it may destroy your brother's friendship.

Q: What do I do when I cannot see my Mom for another 4 months? How can I be happy?

A: You should try and call her and tell her that you miss her and look at her photo often.

Q: I like 3 different girls. What do I do?

A: Choose the one nicest to you.
