

Dear Parishioners and Friends of St. Odilo,

Earlier this week, Gail, our parish secretary, sent me this holy card. It is an apt message for you during this time when public Mass and Holy Communion are unavailable. I hope the thought in this holy card offers you consolation and hope as we continue to struggle with the Coronavirus outbreak.

Please remember that Fr. Alex and I are offering the Holy Sacrifice of the Mass daily for the intentions in our Mass book and for all of you, our faithful parishioners.

God be with all of you,

Fr. Bart
